I cordially invite all comrades in good standing to descend upon this convention with spirit, ideas, and commitment as we honor the deserving, elect our future department leaders, pass the rules we will operate by, and most importantly share some fellowship with our friends and new acquaintances during this trying time.

Our convention this year will not be traditional; basically, meaning without all the flair as before. We will plan and push comrade's health and safety at all events and abide by the current local & state COVID-19 protocols. We will afford convention presence via video (Zoom platform) for attendance purposes only without voting privileges. Every attempt will be made for the members to continue to have a voice in our department while operating in a safe manner.

Always a Veteran; Always for a Veteran

FROM THE COMMANDER

COMRADES; Sisters and Brothers

I hope all continue to be happy, joyous, and warm as we begin to transition into the summer season. I am very excited that some sort of normalcy has come back to our society and we are able to begin that cautious move forward. As we progress with our business, I ask that all exercise true caution in everything you do. Let us achieve all we can in a very safe and healthy manner. For all those that are and have become sick or afflicted, I pray for your speedy recoveries so your able to spread continual joy to others. I want to also express my sincere condolences to anyone that may have lost a loved one. Bless us all.

Thank to everyone for a great year. I know a lot of hard work was put into making our organizations successful. I appreciate all that spread joy and assisted in making our organizations a common topic, Veteran discussions of support, fellowship, and support. I ask that you identify through your District Commander any person that has stood out as a “workhorse” of our team. I would like to recognize their efforts as we come together for our Department Convention. The VFW convention this year will be non-traditional due to the current health situation. In attempts to minimize gathering size, provide adequate space for social distancing all while keeping the voting voices of our members, we have decided to use the headquarters building and a hotel to conduct our business. As expressed in other distribution, the VFW Department Convention will be held 19 - 21 June with the lodging being the Embassy Suites by Hilton (formally the Towers Hotel) on Northwest Expressway. Since the Wyndham Gardens will not open until after June, we had to coordinate a space large enough to conduct a meeting safely. The Embassy graciously agreed to open during that weekend with a special lodging discount on King Studio rooms (\$109 +tax) and some amenities for our comfort. I hope all will come to participate as we must have a minimal showing of posts on Saturday (20 Jun) to be present to elect and vote in a traditional manner. All health and safety protocols are being considered to ensure all accomplish our closeout business in a safe and deliberate manner. So please grab your mask and let the hotel be your shelter for the weekend. Masks, sanitizer and other health and safety items will be available. If you cannot make it; the meetings will be available on zoom. However, zoom participants can't vote. Again, all attempts are being made to keep the voice with the members during these trying times. Bear with our leaders and be the positive to help make us successful.

As we close this wonderful year, I want to thank all that gave their support to our cause. There are a lot of personal thanks and kudos I will have to give later; however, publicly I want to thank and give and unrelenting, sincere thanks to Mike (SR-Vice), Jim (Jr-Vice), Curt (QM/ADJ), Harry (C of S), James (1193) and all the Past Department Commanders (Robbie, both Docs, Jay, Bill, Coral, both Bobs, Ken and Ron S.) for staying in my ear and keeping us grounded during this term. I'm happy with the progress we as an "Organization" have shown and am very confident that those that will success into seats of greater responsibility will do well. I hope that as we move forward, that all members take heed to "our ritual" and adopt into their lives. Trivial and pettiness might exist throughout our lives, however, should not amongst us as true patriots of Veterans (ourselves). Our cause must remain common with our direction agreed upon. We should agree that we might disagree; but must agree to agree as an organization in the end. Remember, all for that common cause.

I love each and every one of you as a "play cousin". Again, I appreciate what all have done this year. However, hopefully you will buy more raffle tickets and be ready to win some of the remaining prize money at the convention drawings (lol) if you haven't already.

As always, be safe, be fun and take care of the business of assisting and providing for those that are having issues. For all that need it.....GET WELL SOON!!

"ALWAYS A VETERAN, ALWAYS FOR A VETERAN"

Darryl Mabry

STATE COMMANDER

FROM THE SR. VICE COMMANDER

Comrades,

As we come to the close of this administrative year, I hope that all of you are doing well and surviving this extraordinary situation we are in. It has been a harrowing experience trying to continue to conduct our business and take care of our number one priority, helping veterans. I want to thank all of you that stepped up the way you did to make that happen. I know it wasn't easy, but I also know those that were on the receiving end appreciated it.

On the Legislative front, state wise, the legislature basically shutdown and only handled top priority/COVID related legislation. What that means is our license plate bill, along the Auxiliary's died in committee. We passed one chamber and were looking to pass the second on the way to the Governor's desk when all of the shutdowns started. I have expressed my desire to the incoming legislative chair to continue this work along with a few other issues we want to tackle. Federally, as most of you know, the biggest things that Congress has been working on is COVID related issues. There are still some of the bills we have been pushing slowly making their way through, but I fear unless the House picks up the pace, most will die

when this Congress adjourns. Lastly, if you or your Post is still needing assistance with the Personal Payroll Protection Program, please do not hesitate to ask. This is vital funding that can help out your business or your Post as we begin the reopening process.

The convention is still on, though at a different location. We have been there before. It is the old Tower Hotel, now known as the Embassy Suites by Marriott. Though we may not be doing a lot of the frills we normally do, please know that we are still going to be there to conduct the business we need to. The HQ has worked diligently trying to ensure that we still can have a great convention under the circumstances. We will be following all of the CDC guidelines for sanitary and social distancing concerns. Please, make every effort you can to attend. I look forward to seeing you there.

I want to commend all of you for the outstanding effort you have put into this last year. We have faced many challenges, but I believe, for the most part, we have come out of them ahead. Please continue to do what I know you do best and that is showing our veterans and their families the Oklahoma Standard of service. Thank you for allowing me to serve you going up the chairs. It has been my honor and I hope you will see fit to elect me to the high office of State Commander 2020-2021. We have a great year planned and I look forward to walking every step of the way with you as we are the "First to Fight for Veterans!"
-SVC

Comrades

As we near the end of our administrative year, I ask each of you to reflect on what a great year we have had under the stewardship of our State Commander, Darryl Mabry. Our membership numbers are continuing to increase and our programs are seeing increased participation across the state. Without Commander Mabry's leadership, we would not have been able to accomplish any of this.

It is tradition to present a gift to the outgoing state commander at the end of their term on behalf of the entire state. So, this is the official call to all Districts, Posts and members within our Department to please send a monetary donation to the State Quartermaster Curt Watts for Commander Mabry's gift. It can be in an individual's name or on behalf of a group. This is not a requirement. However, I believe it fitting we show our state commander the appreciation he deserves.

Please send all donations to the State Headquarters Attn: State Commander Gift. The address is 1103 N. Blackwelder Ave. Oklahoma City, OK 73106. All donations must be received NLT June 10th, 2020.

I appreciate any and all donations you can make as I am sure Commander Mabry will as well.

SAFETY, SAFETY, SAFETY. Keep healthy!!! The restrictions are being lifted, that does not mean it is safe. Please keep the masks and hand sanitizer handy! Continue to watch out for the wackos that are offering you miracle cures for this. If you want to throw money away, give it to the Foundation. At least there it will do some good.

The Department has decided how to manage this year's convention. Many Departments have canceled theirs. We have a location change, the new hotel is the Embassy Suites by Hilton, 3233 Northwest Expressway, Oklahoma City, OK 73132. It is the former Tower Hotel. We have on proposed bylaw and multiple candidates for three key positions, please read up on them and make your own choice. Please, if you are not attending, make sure you let your Post Commander, or someone from your post who is attending, who your choices are. Also, keep an eye out for increases in the Covid numbers, it is always a possibility that we are forced to cancel. A lot of good information has been passed around, stay informed on what your VFW is doing! Read the General Orders.

Normally, this is where I begin to let you know about our upcoming events. With the quarantine procedures just now being lifted, I'm keeping in touch to find out which events will be rescheduled or possibly canceled. The Oklahoma City Thunder have canceled their season. The Oklahoma City Energy has suspended their season and they are waiting on the League to determine the rest of the season. Likewise, the Oklahoma City Dodgers will have their season but the start date is unknown right now, expected to begin in July when the American and National Leagues start. So the Military Appreciation Nights are unknown for both organizations. As soon as I find out I will get word out. If you have not attended one of these events, you should. They are a lot of fun.

The quarantine has impacted a lot of us on recruiting. I know that members of the Department are more than willing to help on any membership drives. There are several other outstanding recruiters out there to ask. We also offer great opportunities to recruit. Let us know.

Does your post have a greeter? Someone to welcome everyone and talk to them? Someone that can identify a new member at the meeting? It is the little things that people notice. Current and new members feel welcome when they are greeted, and we want them to feel welcome. This is also a good way to get to know current and new members, keeping them engaged. Talk to them, get them engaged with projects. Do you communicate with members to see how they are doing? Are you talking to them at events and making them feel welcome? Are you challenging them to be active members and engaged on your events?

DONATE!! DONATE!! Our plans for Blood Drives at our events have fallen apart. When things settle down we can start rescheduling the blood drives. In the meantime, the American Red Cross and Oklahoma Blood Institute are running low. Donate

some blood if able, help our community. The Supreme Military Order of the Cooties has set up an online report of blood donated. If you donate, please submit the information at <http://vampire.puptent1.org/>. The blood drives are being sponsored by the Military order of the Cooties Grand of Oklahoma.

Just because we are quarantined during this doesn't mean our military are locked in their homes also. They are still doing the mission. We should be doing our mission of taking care of them. They still deploy, overseas and at home. We can still be there to help. Talking to some of the Post and Auxiliary members that participated in the family parties with the Oklahoma National Guard, they seemed to have had fun. Let's see, have fun and a chance to recruit? What could be better? I know that I enjoy attending some of these events.

Remember to donate to VMS! VMS sponsors so many programs that help everyone. Help-A-Hero Scholarship and Unmet needs are just two of the programs. Did you know that in Oklahoma alone, they have granted 28 Scholarships for a total of \$119,600? And helped 173 for a total of \$126,997? If you would like to donate to them, please follow this link. https://vfwprograms.formstack.com/forms/vfw_programs_donation

The VFW and the Auxiliary used to be very active within their communities. What are you doing in your community? When you're out volunteering for the VFW or Auxiliary, please wear something that identifies you as a VFW or Auxiliary member; it helps increase public awareness. Any time you help a veteran is also a good time to wear something that identifies you as a member of the VFW or Auxiliary. There are some exceptions if you are working with other entities, check with them to find out if you can wear VFW or Auxiliary items.

Robert's Rules of Order Newly Revised (RONR) is the most comprehensive and most recognized authority on parliamentary procedure. It is used throughout the world by non-profit and not-for-profit organizations. RONR provides operational guidelines for members, officers, boards and

committees. It answers most parliamentary questions and provides examples of terminology for use by members and officers. RONR provides essential information to ensure that meetings are fair and efficient.

The 12th edition supports modern technology while retaining the fundamental principals of parliamentary procedure—rules based on the rights of the majority, of the minority, of individual members, of absentees, and of all of these together.

Updated features of the 12th edition include section-based paragraph numbering to facilitate cross-references and e-book compatibility, an expanded appendix of charts, tables and lists, helpful summary explanations about postponing a motion, reconsidering a vote, making and enforcing points of order and appeals, and newly expanded procedures for filling blanks, new provisions regarding debate on nominations, reopening nominations, and completing an election after its scheduled time. This edition provides dozens more clarifications and additions to improve the presentation of existing rules, include new interpretations, and address common inquiries.

RONR Paperback is 6 x 9 inches, 816 pages.

I would encourage all Posts to go ahead and send us your Poppy orders and we will fill them once we receive our shipment at State Headquarters

FROM THE OKLAHOMA VFW FOUNDATION

OUR MISSION: The Oklahoma VFW Foundation, a 501(c)(3) non-profit organization, assists Oklahoma veterans and their families, promotes patriotic programs, provides relief for veterans and veteran support organizations, and provides educational scholarships.

The Oklahoma VFW Foundation is looking for a board member. Five of our board members are elected by the Oklahoma VFW Membership. The elected Department Commander, Sr Vice Commander, Jr Vice Commander and Quartermaster serve on the Foundation Board of Directors. There is also a board member elected by the Oklahoma VFW Membership to serve a two-year term on the board. Curtis “Doc” Bohlman was elected to serve for two years from July 2019 to June 2021. The four remaining board members are appointed by those five elected board members. Those appointed board members serve staggering 4-year terms so each year, one of those board positions comes open.

If you are interested in serving on the Oklahoma VFW Foundation board, helping to guide this young organization over the next four years, please let us know. You can email me at okvfwfoundation@outlook.com letting me know of your interest. Please include a brief summary of your background that will help show the current board members why you are the best fit. This information can also be mailed to VFW Headquarters (address below). If you know of someone who may be a great fit, tell them about this opportunity. Remember, you do not need to be a VFW member or a veteran to serve in one of these appointed board positions.

The Foundation will have two board meetings in June, one before the convention to close out the year, and one after the Convention. The appointed board member will be chosen at the second one. We will get out information on when and where these meetings will be on the Foundation’s website, Facebook page, and will ask the Oklahoma VFW to put the information out on their Facebook page as well. Feel free to contact me with additional questions you have on joining the OK VFW Foundation team.
