FROM THE COMMANDER

Comrades and Auxiliary; I ask again, isn't this a wonderful time to be part of our great Department and organization? I send my greetings to all.

Again, I give my thanks to all that have been major contributors to our success this year and hope that you are able to continue your support of our great organizations. To everyone, thanks for everything you have done to make your post and our VFW and Auxiliary as successful as we have been. Your continued support is very valuable, and much appreciated. Thanks for everything you have done and will continue to do.

During this time of the year it's important to stay cool and start refocusing on the wonderful work you can do for your post and our great organization this VFW year. Let's remain focused on making your post and our organization the best in the nation. Let our focus remain VFW initiatives, programs and ideals not personalities and other things we can control.

I want to thank all of the Comrades, Sisters and Brothers that came and participated in our convention activities. I send well deserved kudos to the convention committee for the excellent work and assistance in ensuring we had a fun, successful convention because of all of them. For those that weren't able to make it; you missed a truly outstanding program. The displays were excellent, the energy was great and I hope all had just as much fun as I did. A giant kudos with a hearty fist bump goes to the committee chairs for their excellence in getting the info in on time to complete our certificates and organize the program.

If there were any issues with the hotel that wasn't resolved be sure to get with someone as so we can get it taken care so your next experience can be more enjoyable. From the initial comments I received, Ms. Bandi, Ms. Melissa and the rest of the event staff did an outstanding job. We have already coordinated for some of our events this year to take place at the hotel. Look the annual schedule presented in this newsletter.

As mentioned, our calendar for the year is presented as so all can begin early coordination. I apologize for not getting it posted sooner but there was still some initial date synching with the hotel being done. District Commanders; look at the dates and plan accordingly. Note that some frequencies shifted because of availability. I would like for all posts and districts to consider I35 as your guide for the school of instruction. All west of come to OKC on 10 August and all east come to Eufaula on 17 August. We are coordinating a pay as you go buffet style lunch with the hotel and figuring some way for all to assist Eufaula on getting back on solid footing when there. Our conventions and meetings will have purpose and fun this year. We are looking to have a few meetings with themes this year. Of note, a mystery and a Valentine's "pink and red" social are in the works. We are also looking at a chili cook off and other competitions to spice things up a bit. More to follow at our Schools of Instruction.

In closing:

Coral,

I appreciate all we have accomplished our years together going through the seats. Your tenacity has been unrelenting and your heart has been totally dedicated to our organizations. We've had discussions and conversations that took us on both sides of the coin and probably every area between happy, sadness, agree and disagree. But most of all we remained friends and were able to move forward. I wish all that observed that, take heed. Regardless the discussion, our focus didn't change and therefore the year has brought accolades and much happiness. I'm glad we have served as line officers in the State of Oklahoma together. Hopefully will continue working together for our continued strive for successful years.

Darryl Mabry

Commander

VFW Department of Oklahoma

FROM THE SR. VICE COMMANDER

Comrades,

First of all, I want to thank all of you for your vote of confidence electing me your next Senior Vice Commander. It will be an honor and a privilege to serve with you for the next year. And a great year it is going to be!

For all the new leadership and those who were re-elected, now is the time to take the reins, put your plans into effect and take off running, never looking back. As we begin the new year, remember that every member has a voice. If they're not talking, ask them why and what can be done to get them involved. Our membership is the foundation of our organization.

If you have not already reached out to the schools in your area concerning ALL of our youth programs, now is the time to do so. Send them reintroduction packets and meet with them face to face. The youth of today are the leaders of tomorrow and we must reach out to them, encourage and offer guidance through these programs. They are the greatest legacy we can leave.

Legislatively, we will have a new State Legislative Chair and they will do a great job. Congressionally, because of your continued engagement with Congress, we won our biggest fight in a couple years getting the Blue Water Navy Bill passed and signed into law! If you are a blue water Navy veteran or know someone who is, start the claim process now if you or they haven't already. The Senate has passed the latest Defense Authorization Act with a 3.1% pay increase for active duty. Please contact your US Representatives and urge them to promptly pass the Act now and send it to the President's desk.

Finally, a big shout out to all of our out-going officers on all levels. It has been an historic year for our Department and the organization. Congratulations to PDC Porch and her staff. It was an amazing year. Now, let's get out there and do even better.

V/R,
Michael L. Merit

“No one does more for Veterans”

FROM THE OKLAHOMA-VFW FOUNDATION EXECUTIVE DIRECTOR

I hope all of you had a great year in your VFW Posts and Districts. The Oklahoma VFW Foundation looks forward to its first full fiscal year operating as a 501(c)(3). The Foundation would like to thank Past State Commander Coral Porch and National Council Rep Robbie Clark for their service to the Oklahoma VFW Foundation as board members. Their terms on our board have ended and we thank them for their service and guidance and sincerely hope they will continue to promote the Foundation and provide our board guidance. With their departures, we would like to welcome State Junior Vice Commander James Bassett from Post 8706 Moore and Weydan Flax from Post 577 as new members of the Board of Directors. Comrade Flax was also named the new Assistant Executive Director of the Foundation. In addition, congratulations to Curtis "Doc" Bohlman to be elected by the OK-VFW membership to continue his service to the board for another two years. We also want to thank Comrade Gary Miles for applying for the open board position. Our membership elected board members took over an hour deliberating over two very well qualified and outstanding candidates. Comrade Miles has been attending Board meetings and has been a great resource for the Foundation and we hope that continues.

As the Foundation starts to actually start operations, the board is looking at few projects. One is creating a funding mechanism to help with Honor Guard expenses to ensure that all veterans have the military honors they deserve. The Foundation is also investigating the feasibility of a legal assistance program for veterans. Watch for updates as these programs are developed. The Foundation has set up a Facebook group, please like and follow it for updates.

If your Post is working on a donation or grant from a donor that requires it be run through a 501(c)(3) type of organization, please contact us so we can help you. If you are aware of a grant that would help your Post or your District, let us know and we can even help with the grant writing and application. We are here to support the Oklahoma VFW and its Posts!!

We want to thank everyone who made a donation to the Foundation during the Convention. With the silent auction, donation can, and pledges made, the Foundation had nearly \$1,000 in revenues.

Finally, do you know about Amazon Smile? Instead of amazon.com, you go to smile.amazon.com. It is the same products as amazon, same prices, same everything. The only difference is you can choose a charity and Amazon will donate a small percentage of the purchase to that charity. Please consider having the Oklahoma VFW Foundation be the charity you support with your Amazon purchases. When searching for their charities, type "Oklahoma Veterans" in the search window and you will see our Foundation on the list.
